Reference: 3rd Quarter Report (8/8-9/30/02)

Dear Sir or Madam:

During the reconciliation of our original 3rd Quarter 2002 FEC Form 3 report, we identified two individuals whose cumulative totals were incorrect due to some kind of software problems where previous period reattributions were being ignored. A rerun of that report shows that the problem has finally been resolved. We have reprinted the affected pages now that they are correct and are submitting them, along with a copy of our summary pages showing no other change has occurred since our last amendment. The individuals referred to are Lucille Marie Austin and Suzanne Meibergen.

Due to some confusion about the identity of one of our unitemized donors, we had to move a \$50 receipt from one person's record to another. In the process we failed to delete the original entry, causing an accidental increase in cumulative unitemized contributions for this period. Other than that, the enclosed summary pages show that no other changes occurred since our last amendment.

Please let us know if you have any questions.

Respectfully submitted,

Jerry Bowser
Treasurer
